Dear Parents/Carers

### Daily Remote Learning Engagement Text

Following Department for Education and Redhill Academy Trust guidance, the school has recently introduced a daily text messaging system designed to notify parents if their child isn't active on Show My Homework (our online learning platform). This system is intended to be a supportive system to inform parents when their child may not be engaged with their remote learning. If you receive a text message and believe it to be a mistake (because there is a genuine reason why your child hasn't logged into SMHW or because you are aware that your child is engaged in remote learning) please disregard the text message.

Our daily Show My Homework activity report shows that around 95% of students are active on Show My Homework every day; whilst this is exceptional, there is still room for improvement.

Finally, I would like to thank all parents and students for their ongoing support during this extraordinary situation linked to the COVID-19 pandemic. I sincerely look forward to welcoming all students back to school as soon as possible, once the Government has deemed it safe to fully reopen schools.

Many thanks for your ongoing support. Stay safe.

Yours faithfully

Mr R M Cronin  
Deputy Headteacher
