Dear Parent/Carer

### **Year 9 KS4 Guided Choices**

We are at a very important time in your child's education where they, for the first time, are required to make choices which will have an impact on the subjects that they study next year. To ensure that students make informed choices, we have a planned programme of assemblies taking place over the next two weeks to provide them with specific information for each option subject. Alongside these assemblies we have produced a Guided Choices information booklet, which not only provides information on the subjects that students can choose, but also outlines the Guided Choices process. This booklet has been sent with this email and is also available on our website [here](#). Can I please ask that you take some time to read through this booklet with your child.

On **Wednesday 24<sup>th</sup> January 2024** (6.00pm to 8.00pm) we are holding a Guided Choices evening for parents and students in Year 9. At this event, the school's Guided Choices process will be further explained to parents and students. There will be a short presentation at 6.00pm repeated at 6.45pm to explain the process and timescale. Parents and students can also visit subject areas to hear about the separate curriculum offers at KS4 at any time between 6.00pm and 8.00pm. During this time there will be opportunities to ask questions and seek any further information related to the choices available to Year 9 students. To allow us to prepare for the evening we would be most grateful if you could complete the form below to indicate if you are planning on attending the presentation at 6.00pm or 6.45pm.
