Cash support for food redistribution during coronavirus outbreak

The government has announced a £3 million fund for food redistribution organisations help them cut food waste during the coronavirus outbreak. All food redistribution businesses and charities will be encouraged to bid for grants over the coming month, including those whose volunteer programmes have been affected by social distancing measures or those that cannot access their usual commercial support network.

Universal Infant Free School Meals (UFSM)

In 2014 the UFSM policy was introduced. All children in reception, year 1 and year 2 were entitled to a free meal regardless of personal circumstances. This is subject to change with government policy but has been confirmed for the academic year 2019 to 2020. To get your free meal please ask at your child's school.

Free school meal entitlement

All children aged 3 to 18 at Derbyshire nurseries or schools can get a free meal if they qualify.

Qualifying criteria:

- Universal Credit, provided they have an annual net earned income not exceeding £7,400 (£616.67 per month)
- Income Support
- Income-based Jobseekers Allowance
- Income-related Employment and Support Allowance
- support under Part 6 of the Immigration and Asylum Act 1999
- the guarantee element of State Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190) as assessed by HMRC

Working Tax Credit run-on (paid for 4 weeks after you stop qualifying for Working Tax Credit)

Universal Credit has begun to be rolled out in Derbyshire and will affect all areas of Derbyshire by the end of 2022.

Most families will not be affected by the new criteria. Families who are currently claiming free school meals, but fail to meet the new criteria, will continue to receive free school meals until the end of the Universal Credit rollout period, even if they continue to appear as no longer eligible on future reports. The rollout period is currently scheduled to end in March 2022.

Once Universal Credit is fully rolled out, pupils will keep their free school meal entitlement until the end of their current phase of education, that is, primary or secondary.

[Read more about free school meals guidance for schools and local authorities.](#)

Young people age 16 to 18 who receive the benefits or tax credits in their own right are also entitled to receive free school meals.

Even if you meet any or all of the criteria, families will not be eligible if they are claiming Working Tax Credit.

Applying for free school meals

You can sign up for free school meals at any time of year.

You or your partner can claim for your children, as long as you live at the same address.

You do not have to fill in a separate form for each child, even if they go to different schools. Just name the child and which school they go to.

If another of your children starts school and one of your children already has free school meals, we can add them to the application you already have. Just call the free school meals team tel: 01629 536400 or 01629 536481.

Welfare Benefits

Thousands of people in Derbyshire are missing out on benefits that are theirs by right.

Sometimes the system doesn't make it easy for you to understand the rules about benefits or how to claim the benefits you are entitled to.

We can help with advice and can take on any representation that you may need.

- We deal with welfare benefits and tax credits, sometimes referred to as social security.
- We can give advice over the phone about which benefits to claim and how to claim them.
- We can send out claim forms and advise on how to challenge decisions by the benefits authorities.
- We can assist with benefits appeals, including representing Derbyshire claimants at tribunal hearings.

If you disagree with a benefits decision you only have one month in which to challenge the decision, so you need to seek advice right away.

If you need help filling in benefit claim forms, your local Citizens Advice Bureau can help.

Contact us

Email welfarebenefits@derbyshire.gov.uk or phone our benefits helpline, 11am-4.00pm, Monday, Tuesday, Thursday, Friday, on 01629 531535.

Morrisons Foundation – Covid 19 Homeless Support Fund

The Morrisons Foundation has announced a Homeless Support Fund aiming to fund charities caring for the homeless during the Covid 19 outbreak and ensure help gets to those who need it.

The Foundation recognises that homeless people are particularly vulnerable to Covid 19 because of underlying health conditions and are less able to access basic sanitation.

There is a total of £500,000 for this fund and awards of up to **£10,000** are available. Smaller requests will allow more charities to be supported from the fund.

Registered charities that care for the homeless can apply to cover the broad areas:

- Outreach and support to rough sleepers
- Delivery of services in hostels and shelters
- Information and advice

Applications can be made at anytime.

If you're struggling with finances and finding it difficult to pay your rent, it's important that you act as soon as possible to avoid becoming homeless.

**Mental Health
Emotional wellbeing/
Staying active**

The coronavirus (COVID19) outbreak is going to have an impact on everyone's daily lives, as the government and the NHS take necessary steps to manage the outbreak, reduce transmission and treat those who need medical attention.

It may be difficult, but by following guidance on social distancing, or staying at home, you are helping to protect yourself, your family, the NHS and your community.

During this time, you may be bored, frustrated or lonely. You may also feel low, worried, anxious, or be concerned about your health or that of those close to you. Everyone reacts differently to events and changes in the way that we think, feel and behave vary between different people and over time. It's important that you take care of your mind as well as your body and to get further support if you need it.

0800 138 1625
24 HOUR HELP LINE

At a time when community cohesion is needed more than ever, sadly we continue to see instances of Hate Crimes that threaten the safety of individuals in our community.

A hate crime is any crime which is perceived by the victim or anyone else, to be motivated by a hostility or prejudice towards someone because of their identity.

We would encourage all hate incidents to be reported to the police. Derbyshire County Council jointly funds [StopHateUK](https://www.stophateuk.org/) to provide support, advice and alternative reporting to anyone affected by hate crime.

School closures, restricted services and lack of face-to-face support mean that there may be less opportunities to protect children at risk.

Exploited children and young people don't always look vulnerable and may not act like victims. If something doesn't feel right though, it might not be.

Public spaces like bus and train stations, fast food outlets, hotels and roadside services can be where young victims of child exploitation are most visible. Help to protect children and young people. **Don't wait. Report it.**

Information See Hear Respond

The See, Hear, Respond Partnership is a new service funded by the Department for Education. With your help, the See, Hear, Respond Partnership will quickly identify and support children, young people and families who are struggling to cope with the impacts of coronavirus.

Its aim is to provide early intervention before these children reach the threshold for statutory intervention.

See, Hear, Respond does not replace your usual referral process for children who meet a statutory threshold for significant harm: such referrals must be made to your local authority safeguarding team using your usual safeguarding procedures.

The See, Hear, Respond Partnership has been created specifically to help children and young people in England who are experiencing harm and increased adversity during coronavirus, by providing support to those who are not being seen by schools or other key agencies. There is no minimum threshold for referral. We will support children from pre-birth up to 18 years of age and those with special educational needs under the age of 25.

See, Hear, Respond will contact every referral made to us, so no child gets missed. We'll then find a partner best placed to support the most isolated and at risk children in your area. They'll get help in one or more of four ways:

- an online hub of support and information
- online counselling and therapy
- face-to-face support for those most affected and at risk of some of today's most pertinent issues, such as criminal exploitation, and
- helping children and young people reintegrate back into school.

We especially want to invite referrals for families who are most isolated from support due to Covid-19, including:

- Under 5s with a specific focus on under 2
- Those with Special Educational Needs and Disabilities and where there are concerns about their welfare e.g. online safety
- Children who may be at increased risk of abuse, neglect and exploitation inside or outside of the home
- Black, Asian, Minority Ethnic and Refugee children who experience barriers to accessing services
- Young carers

Children, young people, families and professionals can find out more information about how we can help, how to contact us and more about our referral forms by using the links below.

- **Have you or your children created rainbows for your windows or a scarecrow in your garden?**

Maybe you now feel inspired to create something?

Submissions will be welcomed from amateur and professional artists, poets, photographers, creative writers, crafters, whether you are the young, the elderly, volunteers, survivors of Covid-19 or the bereaved...everyone has their own unique story that deserves to be told and preserved for future generations. This book aims to unite us through a common goal, celebrating how we rose to an unprecedented challenge and showed that community spirit is alive and kicking.

Allow your creativity to record your experience and consider the ways you've dealt with the changes, the ups and the downs, the feelings of isolation and loneliness and let's not forget the heart-warming stories, the acts of kindness towards strangers and elements of lockdown we may not want to lose!

With your permission the work you submit will be featured in the Covid-19 book, our Network magazine, Derbyshire Voluntary Action website's COVID 19 page, social media platforms and when it is safe to do so, an event for us all to meet and view the array of submissions.

Coronavirus (COVID-19): health, care and volunteer workers parking pass and concessions

This guidance describes the terms of use around the government's free council car parking scheme for NHS workers, social care workers and NHS Volunteer Responders.

Derbyshire Carers Telephone Befriending

Telephone Befriending at Derbyshire Carers Association (DCA) is a regular friendly call from a fully trained volunteer to help alleviate isolation and provide some company and light conversation to adult Carers (over 18) within Derbyshire (not Derby City). DCA phone volunteers give support, reassurance, a listening ear.

The DCA Telephone Befriending service is continuing to run in the usual manner throughout the COVID-19 period. DCA established Volunteer callers are continuing to make their calls from home, as usual, to Carers they have previously been matched with, as well as any new Carers needing a chat. DCA Peer Support staff are also helping to provide befriending calls to isolated Carers during this time of increased need.

During the COVID19 period DCA are able to continue to offer support from their Telephone Befriending service to those Carers who are, or have become, more isolated or who are extremely vulnerable. Support and signposting can also be provided during the calls, where the Carer is in need of other information and local support.

If you feel you as a Carer would benefit from telephone support, or wish to discuss the Telephone Befriending, please contact DCA on: 01773 833833
